Gerflor solutions at Félix-Antoine Savard Elementary School in Malbaie, QC

As part of the construction of a new elementary school in La Malbaie, Gerflor's **Taralay Impression** and **Taralay Premium** collections were selected for their high quality and wide range of colours.

The chosen designs—**Almerim**, **Copacabana**, **Maceio**, **Sao Luis**, **Ipanema**, and **Goias**—helped create a variety of stimulating, well-defined zones across the building. These floors also provide the durability and easy maintenance required for day-to-day use in a school setting.
