Gerflor solutions at the Kingston Racquet Centre

As part of its athletic infrastructure expansion, Kingston Racquet Centre developed a new indoor multisport dome. The project required a high-performance sports flooring solution suitable for a variety of activities such as tennis, pickleball, and other racquet or group sports.

Taraflex Sport M Plus flooring provided a safe, durable, and high-performing surface tailored to the club's needs. Its technical quality and clean, dynamic finish make it ideal for both recreational and competitive sports.
