## Gerflor solutions at La Petite Bande Early Child Care Centre

For this new CPE, the goal was to design a warm, practical, and easy-to-maintain environment. The architect was looking for a wood-look plank flooring that would be easy to replace and fit within a controlled budget. **Creation 55 – 0060 Arena** was chosen for its durability, underfoot comfort, and versatile design. The selected décor provided a consistent and calming visual theme throughout the space—from playrooms to offices.

The flooring helped create a welcoming and soothing environment, ideal for both children and staff.
