Gerflor solutions at Springfield Public School

Springfield Public School recently upgraded its gym as part of a broader initiative to improve student wellness and enhance school facilities. The school selected **Recreation 60** colour for its resilience and athletic suitability. Offering Class 2 shock absorption, the flooring delivers effective impact protection—ideal for supporting student movement and minimizing risk during physical education.

With 350 yd² installed in the **6062 Canadian Maple** colour, the refreshed gym space now offers improved comfort, visual warmth, and durability to meet the demands of a busy school environment.
