Gerflor solutions at the Telus Warehouse

The **GTI Max Connect** collection was selected for its outstanding technical performance, ability to withstand heavy traffic, and adhesive-free installation, which allowed for fast implementation directly over the existing floor. The colour **0259 Grecale** provides a clean, durable look well suited to an active work environment.

Thanks to **GTI Max Connect**, the project was completed quickly with minimal disruption. The client appreciated the simplicity of installation, the clean work process, and the functional, durable finish of the new floor.
