Gerflor products at The Lindsay Weld Centre for Children

The combination of **Mipolam Affinity** (for high-use areas) with **Taralay Impression Compact** and **Comfort** (for learning and interactive spaces) allowed the design to be perfectly adapted to each space. The soft, coordinated tones like **4409 Matte Grey** and **1070 Habana Vinales** help create a calming and inviting atmosphere, while ensuring durability and easy maintenance.

The daycare now features a secure and stimulating environment, where every area is clearly defined and equipped with flooring adapted to its function.
