## Gerflor solutions at Willingdon Elementary School

The **Landscape** collection was the ideal fit thanks to its nature-inspired design, eco-conscious materials, and proven durability. The colours **0121 Blue Eyes** and **0045 Sand Beige** were used to define zones and enhance the sense of warmth and calm throughout the school.

This project helped create healthy, modern, and inviting learning spaces, while meeting the school's high environmental standards. A flooring solution designed to last—and built for learning.
