Gerflor solutions at Sawmill Valley Public School

Sawmill Valley Public School, located in Mississauga, undertook a full gymnasium renovation to improve the quality of its athletic facilities. The goal was to replace the existing flooring with a more durable, comfortable, and high-performing solution.

The school selected Gerflor's **Recreation 60** in **6062 Canadian Maple** for its classic gym floor appearance, wear resistance, and underfoot comfort. This flooring is particularly well-suited for active school environments, offering a strong balance of performance, safety, and easy maintenance.
