Gerflor solutions at Hagersville Public School

To meet these requirements, Gerflor's **Recreation 60 – 6062 Canadian Maple** was installed over a surface of **350 vg²**. This cushioned vinyl sports flooring combines the classic look of real maple with the technical advantages of synthetic materials—offering excellent shock absorption, slip resistance, and ease of maintenance. Its warmth and resilience make it ideal for educational spaces where student safety and comfort are top priorities.

Thanks to **Recreation 60**, the school benefits from a long-lasting flooring system that enhances both performance and appearance—contributing to a healthier and more engaging experience for students.
