Gerflor solutions at Huntington Ridge Public School

Gerflor **Recreation 60** in **6062 Canadian Maple** was installed over **400 yd²** in the school's gymnasium. This resilient sports flooring provides **Class 2 shock absorption** (ASTM F2772), excellent wear resistance, and superior comfort underfoot. Its **PUR Protect™** surface treatment reduces maintenance requirements, enhances stain and scratch resistance, and ensures long-lasting performance. The product's low VOC emissions and recyclable composition also contribute to a healthier indoor environment for students and staff.

With its combination of aesthetic appeal, durability, and easy maintenance, **Recreation 60** provides the school with a long-term, sustainable flooring solution that supports student well-being and community engagement.
