Gerflor solutions at MacLachlan College

Taraflex Multi-Use sports flooring was selected in two complementary finishes. **2791 Polished Concrete Light Grey** was used for neutral zones, offering a contemporary, understated look. **6350 Light Cherry Design** added warmth and contrast in specific activity zones, enhancing layout visibility and overall atmosphere.

Covering a total of **367 ft²**, **Taraflex Multi-Use** offers excellent shock absorption, slip resistance, and indentation recovery, making it ideal for multifunctional school gym settings. The updated gymnasium at this college now supports a wide variety of academic, athletic, and extracurricular programs in a safer, more dynamic environment. facility excellence.
