Gerflor solutions at Rosedale Public School

To achieve these goals, **Taraflex Sport M Plus (Maple Pebble finish)** was selected for its superior technical features, including shock absorption that meets sports performance standards, excellent ball rebound, and a durable, slip-resistant surface. The **ProtecSol®** surface treatment minimizes maintenance requirements—eliminating the need for waxing—while ensuring reliable slip resistance. The flooring also offers low VOC emissions and antibacterial properties, contributing to a healthier environment for all users.

With its high-quality design and low-maintenance performance, **Taraflex Sport M Plus** provides Rosedale Public School with a reliable, long-term solution that supports the school's commitment to sports, well-being, and operational longevity.
