Gerflor solutions at Queensville Elementary School

Queensville ES opened in 2025 with a need for durable, safe, and visually appealing flooring for both classrooms and the gymnasium.

Taraflex Sport M Plus was installed in the gym over **673 yd²**, providing Class 2 shock absorption and excellent athletic performance. **Taralay Impression** was installed in classrooms and learning spaces over **1,076 yd²**, offering a modern aesthetic, durability, and acoustic comfort suited for high-traffic educational environments.

The school now features cohesive, high-performance flooring that enhances learning and sports areas alike, creating a modern and student-friendly environment.
