Gerflor solutions at Barrie Fire & Emergency Service

Gerflor's **DLW Lino Art Flow** in **Grey Line (0050)** was selected for its durability, sustainability, and contemporary design. This linoleum flooring offers excellent resistance to wear, easy maintenance, and natural bacteriostatic properties, making it well suited for public safety environments. Its subtle linear pattern adds visual interest while maintaining a clean and professional appearance.

The new fire station features a durable, hygienic, and visually modern flooring system that supports daily operations. With **DLW Lino Art Flow**, the facility benefits from a long-lasting, low-maintenance solution aligned with the demands of an active emergency service environment.
