## Gerflor solutions at Brookmede Public School

Brookmede Public School renovated its library to create a more functional and welcoming space for students and staff.

Gerflor's **Creation 55** in **Bostonian Oak Beige (0851)** was selected for its warm wood-look aesthetic and durability in high-traffic educational spaces. This LVT flooring offers excellent resistance to wear, easy maintenance, and long-term performance, making it ideal for library environments.

The updated library now features a modern, durable, and inviting flooring system that enhances comfort and usability. With **Creation 55**, Brookmede Public School benefits from a practical, low-maintenance solution that supports everyday learning activities.
