## Gerflor solutions at Levi Creek Public School

Gerflor's **Recreation 60** was selected for its reliability and performance in school gym environments. **Canadian Maple (6062)** was installed over **426 yd<sup>2</sup>**, providing a classic wood-look appearance, Class 2 shock absorption, and enhanced underfoot comfort. **Gris (2711)** was installed over **74 yd<sup>2</sup>** to introduce visual contrast and define activity zones, while maintaining consistent performance across the floor.

The renovated gym now features a resilient, safe, and visually appealing sports surface designed for long-term use. With its durable construction and low-maintenance surface, **Recreation 60** supports a wide range of school activities and delivers lasting value for Levi Creek Public School.
