Gerflor solutions at Morton Way Public School

Gerflor's **Recreation 60** was selected for its proven performance in school gym environments. **Canadian Maple (6062)** was installed over **426 yd²**, providing a classic wood-look appearance and Class 2 shock absorption for enhanced comfort and safety. **Oceano (6614)** was installed over **74 yd²** to introduce visual contrast and define activity zones while maintaining consistent performance across the floor.

The renovated gym now features a durable, safe, and visually appealing sports floor designed for long-term use. With its low-maintenance surface and reliable performance, **Recreation 60** supports a wide range of school activities and provides lasting value for Morton Way Public School.
