Gerflor solutions at Mount Joy Sports Dome

Gerflor's **Taraflex Sport M Plus** was selected for its proven performance in multi-sport environments. **Maple Sun (5763)** was installed over **663 yd²**, delivering a classic wood-look aesthetic, excellent shock absorption, and superior comfort underfoot. **Black (6830)** was installed over **735 yd²** to create strong visual contrast, define courts and activity zones, and enhance overall layout clarity while maintaining consistent performance across the surface.

The sports dome now features a durable, high-performance surface designed for year-round use. With **Taraflex Sport M Plus**, the facility benefits from enhanced safety, comfort, and versatility, supporting a wide variety of sports and recreational activities.
