Gerflor solutions at Our Lady of Peace School

Gerflor's **Mipolam Affinity in Gray Opal (4429)** was selected for its excellent resistance to wear, ease of maintenance, and suitability for high-traffic educational settings. This homogeneous vinyl flooring features the **Evercare™** surface treatment, eliminating the need for waxing and helping maintain a clean, healthy classroom environment over time. Its neutral gray tone supports a calm, modern learning atmosphere.

The renovated classrooms now feature a resilient, clean, and durable flooring surface designed to support daily learning activities. With **Mipolam Affinity**, Our Lady of Peace School benefits from a reliable, low-maintenance solution that enhances both classroom performance and long-term operational efficiency.
