Gerflor solutions at St. James Elementary School

St. James Elementary School renovated its gymnasium to upgrade a key activity space used for physical education and school events.

Gerflor's **Recreation 60** in **Canadian Maple (6062)** was selected for its proven performance in school gym environments. This cushioned vinyl sports flooring offers Class 2 shock absorption, excellent underfoot comfort, and strong resistance to wear. Its PUR Protect™ surface treatment ensures easy maintenance and long-term durability.

The renovated gym now features a safe, durable, and visually appealing sports surface designed for long-term use. With **Recreation 60**, St. James Elementary School benefits from a reliable, low-maintenance flooring solution that supports a wide range of school activities.
