## Gerflor solutions at St Michael's Elementary School

Gerflor's **Taraflex Multi-Use 6.2 in Light Cherry (6350)** was selected for its adaptability and reliable performance in multi-use environments. This resilient sports flooring provides effective shock absorption, slip resistance, and underfoot comfort, making it suitable for both athletic and non-athletic activities. Its factory-applied surface treatment ensures easy maintenance and long-lasting appearance.

The new gym offers a safe, durable, and visually warm surface that supports a wide range of school activities. With Taraflex Multi-Use, the school benefits from a practical, low-maintenance solution designed for long-term performance.
